THEMED EXPERIENCE – ALL LEVELS

7 days of climbing and sailing in the Northern Dodecanese, Greece.

Travel to the historic Dodecanese Island of Kos and begin your climbing adventure by boat! Enjoy the picturesque partnership of the sea and the land as you sail through the world class rock climbing destination of Kalymnos and the secret crags of the surrounding Islands

The Highlights

- Kalymnos Island and it's abundance of climbing culture, history, nightlife and civilization
- Route takes any climber through the best collection of organized climbs that the Greek Islands have to offer
- Belay Climbs straight off the deck and the best Deep Water Solo spots throughout the trip - with many alternates to cater to different levels and styles
